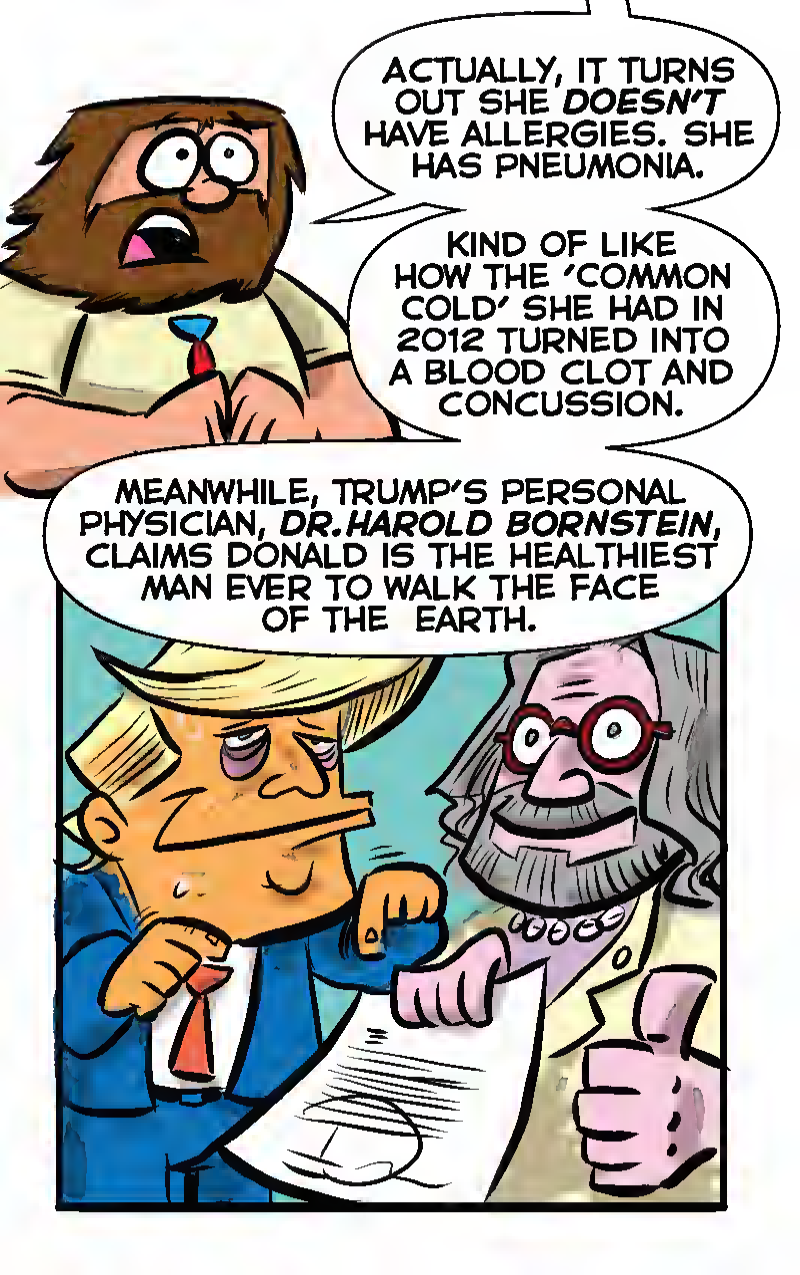
POLIDIOCY
BEFORE WE GET STARTED, I'D LIKE TO WISH BILL CLINTON A SPEEDY RECOVERY.
BUBBA WASN'T EXPECTING HILLARY HOME SO SOON FROM THE 9/11 MEMORIAL ...
AND YOU KNOW HOW SHE FEELS ABOUT 'BASKETS OF DEPLORABLES' ...

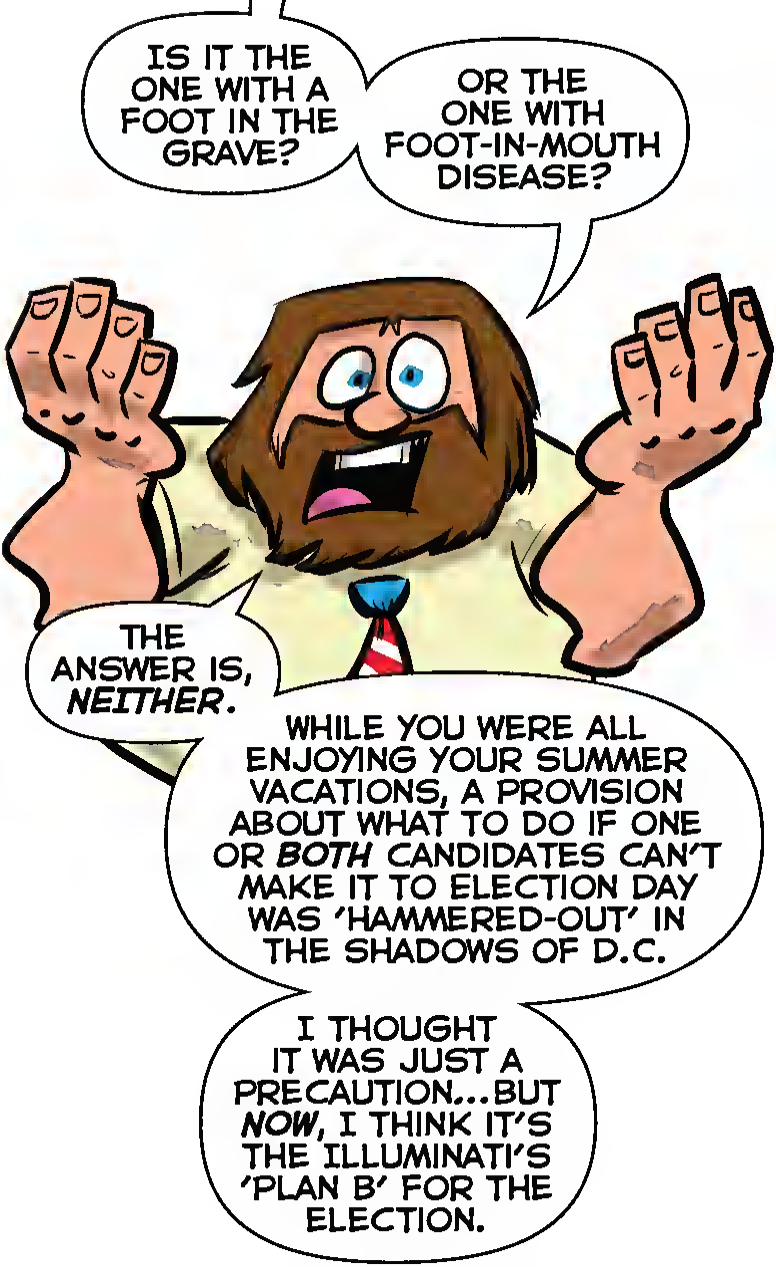
I'M NO PHD, BUT I'D LIKE TO OFFER SOME MEDICAL ADVICE TO OUR CANDIDATES:
GET NEW DOCTORS.
HILLARY'S PERSONAL PHYSICIAN DIAGNOSED HER WITH 'ALLERGIES' TO EXPLAIN WHY SHE'S BEEN COUGHING LIKE A CRACK-HEAD FOR A YEAR.
DAMN, THAT MUST HAVE BEEN SOME POTENT POLLEN.



ACTUALLY, IT TURNS OUT SHE *DOESN'T* HAVE ALLERGIES. SHE HAS PNEUMONIA.
KIND OF LIKE HOW THE 'COMMON COLD' SHE HAD IN 2012 TURNED INTO A BLOOD CLOT AND CONCUSSION.
MEANWHILE, TRUMP'S PERSONAL PHYSICIAN, *DR. HAROLD BORNSTEIN*, CLAIMS DONALD IS THE HEALTHIEST MAN EVER TO WALK THE FACE OF THE EARTH.

(OBVIOUSLY HE'S NEVER EXAMINED CHUCK NORRIS)
LET ME ASK YOU A QUESTION.
WOULD *YOU* WANT DR. BORNSTEIN'S FINGER NEAR *YOUR* PROSTATE?
TRUST ME, HIS FINGER AIN'T THE ONLY THING THAT'S CROOKED.

SOURCES TELL ME THAT HE WROTE DONALD'S "STERLING" HEALTH REPORT IN THE BACK OF A LIMO, SURROUNDED BY "ILLEGAL IMMIGRANT ESCORTS" FROM THE "TRUMP MODELING AGENCY".
SO, WHICH CANDIDATE IS FIT TO LEAD AMERICA TO THE PROMISE LAND?



IS IT THE ONE WITH A FOOT IN THE GRAVE?
OR THE ONE WITH FOOT-IN-MOUTH DISEASE?
THE ANSWER IS, *NEITHER*.
WHILE YOU WERE ALL ENJOYING YOUR SUMMER VACATIONS, A PROVISION ABOUT WHAT TO DO IF ONE OR *BOTH* CANDIDATES CAN'T MAKE IT TO ELECTION DAY WAS 'HAMMERED-OUT' IN THE SHADOWS OF D.C.
I THOUGHT IT WAS JUST A PRECAUTION...BUT *NOW*, I THINK IT'S THE ILLUMINATI'S 'PLAN B' FOR THE ELECTION.

To Whom it May Concern,

Please excuse The Polidiot this week. He has allergies and that's why he is suffering delusions, dehydration and diarrhea of the mouth.

I'd also like to note that The Polidiot has a beautiful prostate.

Sincerely,

Dr. Harold Bornstein
